Just request something random that you'd like me to draw in comment. I'll pick some requests and draw them in upcoming episodes. Thanks!

I'm a full-time student with two part-time jobs, so I can only check the comments on the weekends. And yes, I do read all of the comments, good or bad :)

I don't take things personally and I love that you guys are providing me honest feedback on how I can improve. You guys make this community awesome and I am very grateful to be part of it!

To compensate for the
issue, I will be hosting a
"Let's Draw Random Things" event!

Hi Guys! Devin here. I would like to apologize for one of the previous episodes and my initial lack of response to its inappropriate content.

Coming from a different community, I was not aware that children use Webtoon. I will be replacing it with a different comic that is more suitable for everyone.
